Enthroned Initiatives Inc. · Board & senior leadership

---

## Mrs. Rosemary Oche

### Executive Director

A humanitarian leader and co-founder of Enthroned Initiatives Inc., Rosemary brings over two decades of experience serving orphans, widows, and vulnerable families. Having witnessed first-hand the impact of violence and aid gaps in rural Nigeria, she founded Enthroned to restore dignity, hope, and opportunity within underserved communities, directly assisting more than 300 widows through care, sponsorship, and practical support.

## Daniel Peter

### Head of Programs

A development professional with a background in economics, social work, and nonprofit management, Daniel oversees all US-based programming and donor relations, ensuring resources flow effectively to field programs. Since Enthroned's early stages, he has supported operational planning, regulatory compliance, and program development with a strong commitment to improving the lives of vulnerable communities.

## Innocent Ogbede

### Director of Partnerships

A registered nurse and community development practitioner originally from Kaduna State, Nigeria, now based in the United States, Innocent has provided free medical assistance and support to individuals unable to afford care. As Country Director, he oversees Enthroned's Nigeria operations, leveraging deep relationships across government, traditional rulers, and civil society to drive lasting impact on the ground.

## Lisa Kevin

### Head of Community Engagement

With over 20 years of management experience in the restaurant industry and a strong background in community engagement, Lisa brings a wealth of knowledge in building relationships, fostering collaboration, and bringing people together. Her leadership and passion for serving others help strengthen Enthroned Initiatives' partnerships and expand its impact within the communities it serves.
